

Sinclair Broadcasting should NOT be allowed to force its stations to show the "attack-Kerry documentary" on the PUBLIC AIRWAVES without forcing them to also show "Fahrenheit 911", or another anti-Bush documentary, also in prime time - unedited EQUAL TIME IS NECESSARY!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest - with fairness. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
